## BLESSING

Of Cornerstone of St. Cecilia's New Church Drew Crowd.

Very Reverend Vicar General Officiated and Preached Sermon.

Handsome New Structure Will Be Monument to Pastor's Zeal.

## THE PARISH GROWING RAPIDLY

The cornerstone of the new St. Cecilia's church, at Twenty-fifth and St. Cecilia street, was laid and blessed with imposing ceremonies last Sunday afternoon. The day was clear and not too warm, and the crowd of parishioners was augmented by representative delegations from many other parishes in the city. The Rev. Father A. J. Brady, pastor of the old St. Cecilia's, and who has been the main factor in building the new, was in a very happy frame of mind when he saw the large concourse assembled.

Owing to the absence of the Right Rev. Bishop McCloskey, who was engaged in administering the sacrament of confirmation at St. Anthony's church, the cornerstone was blessed by the Very Rev. Father James P. Cronin, V. G., and pastor of St. Patrick's. He was assisted by the Rev. Fathers A. J. Brady, Patrick Walsh, Louis Oile, Thomas White, John Sheridan, Henry Baehmann, Hugh Brady, Dominic Crane and others.

After the blessing of the cornerstone the Very Rev. Father Cronin preached a sermon appropriate to the occasion. He reviewed the history of St. Cecilia's parish, said it was a child of St. Patrick's and told of the mutual interest manifested by the people of both parishes in the welfare of the two churches. He dwelt on the significance of the building of a church. It showed, he said, the growth of the love of God among men, and it represented the work of the pastor, whose power for all good is inestimable. It indicates that the love of God continues to spread, and the church not only honors Him, but it means the salvation of the souls of the parishioners.

Father Cronin said the church was the home of God and the home of the people. It is there we find Jesus Christ, our beloved Redeemer. There we go to attend mass, to hear the word of God, to rejoice at baptisms and weddings and to pray for the dead. The speaker also told of the building of the old church in 1872 and of the trials and vicissitudes encountered before it was completed. He expressed the hope that the new church would be finished and dedicated in much less time. It would be sacred because it was to be the dwelling place of God, and where the faithful receive so many graces and blessings. The congregation, he said, had done well in the past and would do better in the future.

The old church of St. Cecilia was started in 1872, but many months elapsed before it was completed and dedicated. The Rev. Father P. M. J. Rook, now rector of the Cathedral, was its first pastor and labored there several years. Father McHenry and others succeeded Father Rook, and then came the late lamented Father Mackin, who during the years that he labored there saw the congregation grow wonderfully. Upon his death Father A. J. Brady was made pastor, and from the beginning of his work he saw the growing need of a larger church. He found a flourishing parochial school, but it was becoming too small to accommodate the pupils. Ever since his advent Father Brady has made a new church and better school accommodations the principal aim of his work. Now he is about to see the fruition of his hopes. The new church will be a handsome brick and stone structure, and it is now well under way. It will when completed seat 950 people comfortably. It will be a lasting monument to Father Brady, who has given his time, his labor and his earthly means to bring about its completion and dedication.

## CENTRAL COMMITTEE

Held Interesting Business Session and Heard Reports.

The Central Committee, C. K. of A., had a splendid business meeting on Friday night of last week. The attendance was fair and President Scheldt presided for the first time since his recent spell of illness. The delegates were glad to see him once more wielding the gavel. William M. Higgins, in behalf of the Entertainment Committee, reported that the recent vaudeville performance had been a financial success, and announced that it was planned to give an outing at one of the parks next month. The date will be announced later.

Harry Veenneman reported progress for the Membership Committee. It was decided that as many of the delegates as possible would visit Branch 302 on Thursday night. Eugene McCarthy, Secretary of the Ritual Committee, reported that everything was in readiness for the forthcoming initiation, and urged all

branches to have their respective classes ready and to report the masses at the next meeting. The joint initiation will be held on the night of the second Friday in July. William T. Meehan, head of the degree team, and his co-leaders have been rehearsing diligently. The paraphernalia has been received and the first exemplification of the new ritual promises to be very impressive. The clergy of the three Falls Cities will be invited to attend.

Ben Beckmann reported progress for the dramatic club, which now has about twenty members. Charles Falk invited the Central Committee to attend the general meeting and justification to be held by Branch 6 on Wednesday evening. President Scheldt and Oscar Maier made interesting addresses. Reports from the various branches were quite encouraging.

## KNIGHTS GATHERED

Branch 6 Kept Open House For Benefit of All.

The general meeting of the Catholic Knights of America under the auspices of Branch 6 at St. Martin's Hall on Wednesday night was well attended, and a number of interesting and instructive talks were made. President Oscar Maier presided over the business meeting of Branch 6 and the necessary routine was dispatched with due celerity. The social session followed with Major Gen. Michael Reicherth presiding. He made a happy address at the outset and then introduced John Kinney, of Jeffersonville, who made an excellent talk on life insurance in general and gave a practical demonstration to show that a policy in the Catholic Knights of America was cheaper and safer than any other. His address held the attention of the members throughout.

Charles J. Desse told what Branch 25 was doing. F. J. Bartsch, of Branch 36, made a plea for the Knights to go after more young men. William T. Meehan told what the degree team was doing. Gen. Gus Kane spoke in behalf of the Uniform Rank and called for recruits. Other interesting talks were made by William M. Higgins, John Scheldt, Charles Hill, Patrick Holley and Henry C. Scheldt, Secretary of Central Committee. During the evening refreshments were served in abundance.

## HIGH MASS AT SEA.

Monsignor Farley Writes of Celebration On the Voyage.

The Right Rev. Monsignor Patrick J. Hayes, Chancellor of the archdiocese of New York, received a letter from His Grace Archbishop Farley last Saturday. Archbishop Farley was on his way to Rome and wrote aboard ship under date of May 30. He said in part:

"We are just approaching the coast of Spain and will reach Gibraltar tonight, we hope. Up to a few days ago we have been having cold weather, but fortunately no rough seas. The absence of warm weather has been a disappointment, especially to myself, as I had hoped to get rid of my cold in the balmy air of the first few days. However, the last two days have done wonders for me, and my cold has now almost left me. We went ashore at the island of St. Michael, Azores, just at evening. The city of Ponta Delgada, where we went ashore, has 18,000 people and is the cleanest city of Europe, at least as far as my judgment goes. It is Catholic to the heart, as one may judge from its many charitable institutions for all kinds of misery. This morning, the feast of Pentecost, we had such a function as perhaps has never been seen on the high seas before. Dr. Tracy celebrated the high mass. The Apostolic Delegate, the Bishops of Brooklyn, Savannah, Scranton, St. Joseph, the Auxiliary Bishop of Boston and the Archbishop of New York were present in full canonicals. The choir was composed of forty-five priests and Monsignors. The congregation numbered more than two hundred. The day was ideal. The sermon was preached by Bishop Hoban."

## BINGHAM FOR MAYOR.

Hon. Robert W. Bingham has announced his candidacy for Mayor of Louisville, subject to the action of the Democratic party. Mr. Bingham is a Kentuckian by adoption, an able lawyer and a young man of great executive ability. In 1905 he was elected County Attorney on the Democratic ticket, and when the Court of Appeals decided adversely toward the Democrats, Mr. Bingham was ousted with the rest. Gov. Beckham, recognizing the ability of Mr. Bingham, appointed him Mayor, and in that capacity he served for four months. He was lawyer and during his term as Mayor saw that the law was observed as written. He has friends in the Republican as well as in the Democratic ranks, and they believe he can be elected if nominated.

## FATHER HALPIN'S CHANGE.

The Rev. Father M. Halpin, who has been assistant to the Rev. Father Charles Curran at Holy Trinity church, New Albany, has been made rector of the church at Bradford, Ind. He has been succeeded in New Albany by the Rev. Father Rynn, who was recently graduated from the American College at Rome. The people of Holy Trinity parish are sorry to lose Father Halpin, and yet rejoice to learn that he has secured a parish of his own.

## COMPROMISE

With Landlords May Expedite the Passage of Birrell Bill.

Scotch-Canadian Editor Caused Defeat of Conscript Scheme.

Lloyd George Wins First Round in Fight on the Budget.

## WHY THE IRISH PARTY OPPOSE

There is some hope that a compromise may be effected between the landlords and the Irish people on the Birrell land bill and that the bill may pass the House of Commons before the end of August. Such at least is the opinion of Hon. T. P. O'Connor as expressed in his letter to the Chicago Tribune last Sunday. He adds: "I believe that the landlords will not be satisfied with less than the old bonus of 12 per cent. on the purchase price of their lands and the Irish Parliamentary party sees no objection to this concession being made, and I believe the real fight will be at close quarters. If the landlords be reasonable and the Ministry generous there can be a deal. And such a deal will be helped in every way by the Irish party."

But Mr. O'Connor tells us more. He says that Germanophobia, Dreadnoughts and tariff reform can not be kept out of anything now in England. Roseberry is using all his powers of oratory to make the Englishmen's flesh creep with overcolored pictures of the danger of war. He speaks as if the German navy contemplates an immediate descent on the English shores. Lord Roberts and Lord Milner are speaking of voicing a resolution in favor of conscription all over the empire. This resolution might have carried, too, if Mr. MacDonald, editor of the Toronto Globe and a stalwart Scotch-Canadian Liberal, had not stemmed the jingo tide by his outspoken remonstrance. Balfour presided and avoided defeat by having the proposition withdrawn.

In the domestic affairs, on the other hand, things have gone well for the Liberals within the past two weeks, and the fight over the budget ends the first round with honors decidedly in favor of Lloyd George. He made a brilliant speech defending the budget, while Balfour made a speech so weak as to suggest that his heart was not in the fight and that he prefers Lloyd George's finance to the tariff reform. The opposition of the Irish members to the budget is still hot and Ireland is angry over the whisky tax and the addition to the already gigantic dislocation between the taxation of rich England and poverty stricken Ireland.

The Irish voted against the budget, reducing the Liberal majority one-half. The future of the budget is uncertain. Nobody outside the jingo newspapers attaches any importance to the bluff that the House of Lords will reject the budget. That would mean chaos and revolution, and the Lords already face too great perils.

The Irish members have to manage the debates on the budget with judgment and adroitness. They have been between two fires all the time. On the one hand, there is immense dissatisfaction in Ireland with the increased taxes, and meetings of protest have been held all over the country. It should be added that these protests do not come entirely from those who are interested in the liquor trade; they can to a certain extent be discounted, because by putting a penny on to each glass of whisky, and by a due admixture of water, saloon-keepers draw eighty additional pence an every gallon; and the tax is forty-three pence, so that the additional charge to the public brings in nearly twice as much as the new tax.

It is from this point of view that many Irishmen who are comparatively indifferent to the liquor trade—indeed regarding whisky as one of the worst scourges of these British isles—are against the new tax. They resent it as a tax on an Irish industry—one of the few industries left; they regard it as a tax on the Irish workingman—made the more intolerable by the fact that the English workingman is not taxed for his beer. Altogether the new budget has confirmed the opinion among all reasoning Irishmen that it requires self-government to protect Ireland from the depredations of the English Chancellor of the Exchequer, whether he happens to be Liberal or Tory.

## ROAD TO RECOVERY.

Samuel Rodman, manager of the New Haven Drug Company, who was operated on for appendicitis at St. Joseph's Infirmary last week, is on the road to recovery. His father, Dr. H. D. Rodman, of Bardonia, has been in constant attendance at his bedside.

## SCORES HIGH HONORS.

A cablegram to the New York World says that Prince Maximilian, who was ordained a priest two years ago, has been made rector of a German ecclesiastical college at Rome. Since his ordination he has been professor of canon law at the University of Freiburg. According to the cablegram the prince-priest intends to continue teaching for

eleven years and then will seek the office of parish priest in a large metropolis, London preferred. Had he wished a position of great honor and dignity he might have had it ere this. He is thirty-nine years old.

## SOLEMNITY

Of Corpus Christi Was Observed On Last Sunday.

The solemnity of the feast of Corpus Christi, which occurred on Thursday, was observed in all the churches on last Sunday, and one of the greatest celebrations was at St. Louis Bertrand's church at 10:30 o'clock. The Very Rev. Father Clark, O. P., was celebrant of the mass, Father Dunn, deacon and Father Kernan, sub-deacon. The Gregorian choir sang the music of the mass and a score of well drilled neolytes added a charming feature to the solemnity of the exercises. The sermon was preached by the Rev. Father Dunn, O. P., who spoke feelingly of the devotion to the Sacred Heart of Jesus, and who urged the people to attend the exercises in honor of the Sacred Heart at 7:30 o'clock every evening until the feast.

After the mass there was a solemn procession through the church. It was led by a hundred or more little boys and girls, all tastefully attired. Behind them came the Rev. Fathers Foley, Kernan, Flood, Dunn and Clark, the latter carrying the Blessed Sacrament. Three benedictions were given—one at St. Joseph's, one at the Blessed Virgin's and a third at the main altar. During the procession John J. Seore, W. P. McDonogh, W. J. Connelly and John H. Heaness carried the canopy over the Blessed Sacrament.

## MACKIN'S MEMBERS

Gave Smoker to Celebrate Payment of Last Note.

Tuesday night was a time for rejoicing for Mackin, and, right royally did the members celebrate it. A social session and smoker was held in honor of the payment of the last note on the club house. The mortgage was exhibited to all the members and finally burned, while the final note was ordered. The speaker, Louis J. Kieffer, presided and every one of the Past Presidents except Ben J. Sand, who is out of the city, was in attendance. Charles Lauscher and Peter Heid, who have been quite ill, were reported improving, and Henry Eversing was reported well. Congratulatory letters were read from Dr. Vincent, Falisi and Dave Hummel. Rev. Father Emmet B. Kennedy, who was ordained Tuesday, sent an invitation to all the members to be present at his first mass at St. Bridget's church tomorrow. After these preliminaries had been attended to, President Kieffer stated the object of the social session. The cigars were passed and the celebration began. There were no set nor tiresome speeches, yet all who enred had their say and the evening was spent in congratulations.

Charles Baldy, Frank G. Adams and Dan Weber had been named to complete a statement of the work accomplished by Mackin since it purchased the club house for \$17,000 in 1899. From 1902 until the present time \$2,600 has been paid out in sick benefits and \$1,850 in death benefits. And from 1902 to date \$1,520 has been expended by the council on worthy charities. Of this \$185 was to the earthquake sufferers of San Francisco. The amount does not include what was given to charities as the result of entertainments to help churches, etc. Recently a billiard room and library were equipped at a cost of \$400. The report commended the members for their loyalty and said that the council now had a club house and property worth \$30,000.

Patrick T. Sullivan, James B. Kelly, President of Trinity Council, Past Presidents James T. Shelly, Vincent B. Sells, William Kernberg and George Lunt, and Joseph L. Lenihan all made congratulatory addresses, and Thomas D. Cines aroused the wildest enthusiasm when he announced that the Mackin Choral Club would turn into the council treasury \$1,500 as a result of the four performances of "Back to Town." Dan Cuniff, a veteran member of the council, brought the speech-making and the celebration to a close.

## SEEKS NEW HOME.

J. W. Connor, the well known carpenter contractor, who took a trip to the Pacific coast several months ago, was so much pleased with the Northwest that he decided to remove there. He returned a fortnight ago and after bidding his friends goodbye told them that he had decided to make his home in Seattle, Wash. On his departure last week he was accompanied by his wife and niece, Miss Margaret Knopf. Their many friends regret their departure, but hope that fortune will smile on Mr. Connor and his family in the far Northwest.

## CHARITY CLUB EUCHE.

The Charity Club will give a euche at the University School, Zane and Garvin Place, next Wednesday afternoon and evening. The games will be called at 2:30 and 8 o'clock p. m. Tickets are being sold at twenty-five cents and the buyer is entitled to a chance on a silver service valued at \$100, which has been donated to the club. The committee in charge of the euche is made up of John H. Hennessy, M. J. Walsh, John J. Seore, William J. Connelly, J. Morthorst and W. E. McDonogh.

## REFORM

And Nepotism Seem to Work in Perfect Harmony in Louisville.

How the Republican Leaders Made Real Estate Deal Recently.

Grand Jury Returned True Bills Against Alleged Gamblers.

## FAVORS FOR CITY FATHERS

A resident and a taxpayer was unkind enough to remark the other day that the name of the city of Louisville should be changed to that of Belknapburg, and cited several circumstances to show the reason for the faith that was in him. A reader of the Louisville Times also sent a communication to that paper calling attention to the fact that the Belknap family was being well taken care of by the present city administration and the Republican machine. The Kentucky Irish American called attention to some of these things several weeks ago, but it will not be amiss to elaborate a little.

Col. Morris Belknap is a Park Commissioner and is a candidate for re-election. His nephew, Lafon Allen, is candidate for the Legislature; Alderman Heyburn, a brother-in-law, has just resigned as Alderman, but was allowed to name his successor, Alex. Barret, a brother-in-law of Heyburn, is President of the Board of Public Works and candidate for Circuit Judge, and Louis Heyburn, a son-in-law of William Belknap and a member of the Executive Post, is a member of the Republican Campaign Committee. How is that for reform from the nepotism of corrupt Democratic politics?

Speaking of reform in politics, has it ever dawned on you that there is one congregation here made up of reformers from pastor on down? It has a shining light on the Appellate Court bench and many of its members are allied with the big corporations of the city. This is no attack on a church, mind you, but the events of recent years tend to show that the congregation is being used as a pious cover for the greed and outward to suit the convenience of Ballard, Belknap and big interests. The congregation was looking for a site for a new church. It was found at Fourth and Breckinridge streets, so the property of Charles Ballard and Alderman J. Ross Todd was purchased for a church site for \$60,000. Both Messrs. Ballard and Todd are members of the Republican Campaign Committee. No real estate agent was called in to get a commission. Oh, no! The President of the church board, who is likewise President of a big corporation, conducted the deal, and his legal adviser is Hon. David W. Fairleigh, Chairman of the Republican Campaign Committee.

The City Assessor's books show that the Belknap property was assessed for taxation at \$19,600 and the Todd property at \$17,000, making a total of \$36,600. These thirty gentlemen sold their holdings for \$60,000 and divided nearly \$24,000 profit between them. Is that not gorgeous?

Mayor Grinstead wrote a communication to Judge Pryor last Tuesday, calling his attention to rumors of gambling in the city. While that letter was being written the grand jury was busy preparing a batch of indictments against proprietors of gambling dives, white and black. It is said that those indicted claim to have been promised protection by certain Aldermen and Councilmen.

A West End saloon-keeper, one of the city's pets, was arrested for violating the Sunday closing law. A policeman swore he bought a bottle of beer from the saloon-keeper. The latter swore he gave the beer to the policeman because he was ill. Judge McGee said it was one man's word against another. He fined the saloon man \$15 and suspended the fine, as he said, giving him the benefit of a doubt. In many other cases the worthy Judge has taken the word of one policeman against the testimony of half a dozen witnesses. This saloon-keeper used to furnish pigs' feet, frog legs and other delicacies to high police officials.

## PRESENTATION EXERCISES.

The spacious hall at Presentation Academy was taxed to its utmost capacity Monday morning by friends of the pupils who were on hand to witness the closing exercises. The programme was replete with vocal and instrumental music, pleasing dramas and interesting essays. The following young lady graduates received diplomas: Florence Barrett, Ophelia M. Rogers, Katherine F. Meagher, Mary G. Warren and Mary Cecilia Reiling.

## DOLLE-DEITZ.

A wedding of more than usual interest in the East End is that which will unite Miss Mame Dolle and August J. Dietz for life. It will be

solemnized by the Rev. Father Richard Wuerth, O. F. M., at St. Boniface's church at 9 o'clock Wednesday morning, June 30. The bridesmaid will be Miss Elizabeth Dolle, sister of the bride, and Edward Allbach will be the groomsmen. Nuptial high mass will follow the wedding ceremony. After the mass Mr. and Mrs. Dietz will be tendered a reception at the home of the bride's parents, Mr. and Mrs. Henry Dolle, 815 South Clay street. They will begin housekeeping on Breckinridge street, between Jackson and Hancock. The bride-elect is a young lady of charming personality, and the fortunate young man is holding a responsible position with a large manufacturing company. He is a son of Charles Dietz, of East St. Catherine street.

## COMMUNITY'S LOSS.

Death of Meyer H. Hilpp Caused Widespread Sorrow.

A philosopher, a philanthropist and a friend to all three combined and all in the rough, was lost to Louisville Monday when the spirit of Meyer H. Hilpp passed into eternity. Few business men in Louisville were better known; none had fewer enemies. He had inherited a talent for business and began at the age of eleven years to make his own living. He prospered and accumulated, but never closed his purse to a worthy cause. He knew neither creed nor race when the object was worthy, yet no man can approximately know how much he gave away, so quietly and so unostentatiously was it done.

Mr. Hilpp was born in Louisville fifty-seven years ago, and resided here all his life. About twenty-five years ago he married Miss Nellie Burke, who died about one year ago. Since then Mr. Hilpp's health declined steadily and for several weeks his death was expected. He was an active Democrat in politics, yet never held but one office, that of Deputy Bailiff of the Police Court, from 1882 to 1886. He is survived by two brothers, E. L. Hilpp, of Louisville, and Alexander Hilpp, of Cincinnati; a sister, Miss Minnie Hilpp, and a sister-in-law, Miss Maggie Burke, both of whom lived in their home with him at 312 East Chestnut street.

The deceased was an Elk and a Mason, and both bodies took part in the funeral exercises, which were held at the Scottish Rite Cathedral on Wednesday afternoon.

## JUBILEE BANQUET.

Cardinals Stood During the "Star Spangled Banner."

The chief social feature of the golden jubilee of the American College at Rome was the banquet on Thursday night of last week. Cardinal Gotti, who has been protector of the college since he became Prefect of the Propaganda, and Cardinal Satolli were both prevented from attending by illness. The Cardinals present were Merry del Val, the Papal Secretary of State, and Martinielli, Agnelli, De Lai, Caviechoni and Gaspari.

Monsignor Kennedy was the toastmaster and introduced Archbishop Farley, who proposed the health of the Pope and spoke on the special claims which Pius X. has on the devotion of Americans. "Our Country" was proposed by Archbishop O'Connell of Boston, Archbishop Falcioni, the Apostolic Delegate to the United States, spoke on the splendid work done by the hierarchy of the United States during the last 100 years, and especially of the work done by Bishops who had come out of the American College. Bishop Burke, of St. Joseph, spoke of the alumni. Between the addresses the college choir sang a hymn to the Pope and the "Star Spangled Banner." All the Cardinals stood while the hymns were in progress and several joined in the singing.

## CHURCH FOR NEGROES.

Last Sunday the new Church of St. Anthony, for the colored Catholics of Memphis, Tenn., was dedicated by the Right Rev. Bishop Thomas S. Byrne, of Nashville. It is the first church in the diocese to be built for negroes, and is a handsome two-story brick structure.

## LIGHTNING STRUCK CHURCH.

Lightning struck the Catholic church at Henryville, Ind., on Wednesday afternoon of last week, but the news was not received in Louisville until Friday. The belfry was wrecked and the roof badly damaged. Miss Grofford, sister of the pastor, was engaged in teaching catechism to seventeen children. She was stunned by the lightning and all of the children were shocked. None was permanently injured.

## LARGE CLASS

Initiated by Local Hibernians at Joint Meeting on Sunday.

Division 4's Team Exemplified New Ritual in Style.

Interesting Addresses Reviewing History of Order Followed.

## GOOD NEWS FROM THE SCHOOLS

Under the auspices of the Jefferson County Board the four local divisions of the Ancient Order of Hibernians initiated a large class of candidates at Bertrand Hall last Sunday afternoon. The initiation was conducted in the spacious auditorium and every one of the four divisions was represented. In the class of candidates, State President George J. Butler, State Secretary William J. Connelly, County President Patrick J. Welsh and other veteran Hibernians witnessed the exemplification of the degrees and praised the work of Division 4's team. Several hundred Hibernians attended the initiatory ceremonies.

The degree team was made up as follows: Ard Righ, William P. McDonogh; Brehon, David J. Reilly; Bard, William J. Connelly; Ollahm, John J. Seore; Chief of Escort, John J. Winn; Escort, Patrick O'Donnell, John and Thomas Langum, Lawrence Meany, John Shaugnessy, Thomas Farrell, Patrick Kennedy, Robert Mitchell; Choir, Edward King, Con J. Ford, D. J. Coleman, William T. Meehan, Patrick T. Sullivan, John Karmann and Thomas and James Stevens.

The work of the team was complimented on all sides. Each of the officers not only had his part letter perfect, but the exemplification was clear, measured and distinct. It was the first exemplification of the new ritual and it showed that the members of the degree team were imbued with the true spirit of Hibernianism.

After the initiation Attorney Thomas Walsh delivered an able and interesting address, in which he commended the four local divisions for the active interest they had taken in the affairs of the order and its upbuilding. He reviewed the history of Hibernianism and urged the new members to be as faithful to the principles of unity, fraternity and true Christian charity as the older members had been.

William P. McDonogh, in behalf of Division 4, stated that satisfactory arrangements had been made with the Dominican Fathers, whereby the study of Irish history was to be taken up by the pupils of the Seventh and Eighth grades in St. Louis. Bertrand's school next fall. Irish histories would be purchased and the classes would be properly started.

## AMERICAN BISHOP

Received in State by Pope at Vatican On Sunday.

Sunday was a red letter day for the American prelates and clergy who are attending the festivities in commemoration of the fiftieth anniversary of the founding of the American College at Rome. His Illustrious Pope Pius X. received in audience Monsignor Falcioni, Apostolic Delegate to the United States; Archbishops Farley of New York, O'Connell of Boston, Blenk of New Orleans and Seton of Heliopolis, as well as many other prelates and priests from the United States now in Rome.

Monsignor Kennedy, Rector of the American College, introduced the Rev. Dr. Walsh, of New York, President of the Alumni Association of the college, who delivered an address, to which the Pope responded. Pius X. praised the college and said that if out of 70,000,000 Americans one quarter were Catholics it was due especially to the first missionary from the propaganda and to others, more than 600 of whom had been provided by the American College.

## ACCIDENTAL DEATH.

While returning from the Catholic church at Pewee Valley last Sunday morning John H. Green, a Confederate veteran, was struck and instantly killed by an L. and N. fast passenger train. Mr. Green was born in Germany eighty-five years ago. He came to America when quite a youth, and at the outbreak of the civil war took sides with the South. For some time past he had been an inmate of the Confederate Home at Pewee Valley and was well liked by his comrades. He is survived by one daughter, Mrs. J. C. McBryde, of Morganfield, Ky. The Rev. Father William Boes officiated at the funeral, which took place on Monday.

## AWAIT THE ISSUE.

The time to hold Democratic district conventions to elect delegates to the mass convention that will name candidates for all the city and county offices is approaching. Democrats should await the issue manfully and avoid all dissension. Now is the time for faithful followers of the party to remain loyal than ever. Attend the district conventions and vote for your choice for delegates to the mass convention. If your candidates are defeated, smother your grief. Think what the other fellow would suffer if your candidates had won. George Weissinger Smith made a manly race for the Republican nomination for Mayor. The Republican steam roller hit him and passed over him. Many people thought he had been flattened out. Instead he came up smiling and was given a seat beside the chauffeur, David Fairleigh. Democrats who are disappointed must learn to be as hypocritical as Republicans. If you are knocked down and kicked pretend you like it. The pain does not last long. Just make up your mind to do your part and you will help to save the city and county from ignominious Republican rule.

## MEN WHO DO THINGS.

Mackin Council's members and reason to rejoice last Tuesday night when the mortgage on the building was burned and the last note paid and framed. These young men should be congratulated not only by their sister councils, but by the clergy and all good Catholics. Mackin's members have shown what Catholic young men can do when they set out with a high ideal and remain steadfast in their purpose.

Mackin set an example for all to follow. It was the first Catholic society of Louisville to own its own home. In this it preceded Trinity Council and the Knights of Columbus. The club house will be a monument for years to come to the integrity, fidelity and loyalty of the young men who worked for its purchase and aided in liquidating its final indebtedness. These young men deserve all the more credit because all are poor. There are no rich men in Mackin Council. Every member has to work for a living, and yet each gave generously according to his means toward the upbuilding of the council. Mackin's members will be heard from in other lines. They are all young yet. They have proven to be men who do things. They bid fair to become captains of industry, leaders in the financial and professional and manufacturing world, and the Kentucky Irish American holds that whatever blessing may come to them individually and collectively none can be too good.

## AS OTHERS SEE US.

Often we hear our religion derided and the truths of Christianity denied by college professors of other faiths or of no faith at all. It is all the more delightful and refreshing then to read what Dr. Thwing, President of the Western Reserve University, had to say recently at Cleveland, Ohio, to a class of graduating nurses. He spoke in this wise:

"I speak to many who are members of the great Roman Catholic church—called Roman because of its place on the banks of the Tiber; but called Catholic because it is universal, belonging to all. But also I speak to some who are members of no communion of the church. But to you all I wish to say that religion is the mightiest resource for the soul of man. In the blessed Catholic church religion stands for life's great center of life's widest circumstance. Of it make the most. Lean back hard upon the great truths of that blessed religion. As your hands are eager in performing the duties that are given you to do, let your heart and your mind confide, as true daughters, in the blessed truths and loyalties of that great God-giving, man-receiving institution of the race."

Dr. Thwing is a non-Catholic, but he seems to understand thoroughly what the Catholic church teaches.

## SIR THOMAS MIFFED.

Sir Thomas Lipton has always been acclaimed a great sportsman, but he seems a trifle petulant in his remarks about giving up trying to win the American yacht cup. He says: "No man will build a boat to sail under conditions that are or should be past. I am always willing to give the Americans the advantage of their own universal rule under

which they have had experience in building and sailing, and I am ready to challenge thereunder, but I will not try again under the rule of fifty-six years ago. If I challenged under the international rule governing Europe they would say I had a pull." So it would seem the American yachtsmen must seek new yachts to conquer.

## IRISH PUPILS LOSE.

Milwaukee Hibernians are up against an awful proposition, says a dispatch to a daily paper. They have discovered that German and Polish students have won the majority of prizes offered for the Eighth grade students in the parochial schools for proficiency in Irish history. The prizes were offered by the Hibernians and were open to every student without restriction. The worst of it seems to be that the affair will be repeated next year, because the Ancient Order has made the offer of prizes a fixture. It is to be hoped that the idea will not result this way in Louisville.

The sympathy of the entire community is extended to Col. W. B. Haldeman and his esteemed wife in their grief over the death of their daughter, Miss Lizzie O. Haldeman. She was a young lady of charming attainments and her untimely death is a source of general regret.

This was a week of college and university commencements. So many were there that it would be impossible to give place to a notice of each. Suffice it to say that they are all doing good work in the cause of Catholic education.

## RECENT DEATHS.

Mrs. Thomas Lytle died at the Deaconess Hospital Tuesday evening following a surgical operation. The deceased lived at 923 Franklin street and is survived by her husband, two sons and five daughters. The funeral, which took place from St. Michael's church on Wednesday morning, was attended by a large number of sorrowing friends.

Mr. and Mrs. Herman Degau, of 253 Cedar street, have the sympathy of many friends in the death of their little daughter, Katherine Margaret. On Thursday of last week the little one perished of a plate of strawberries and several hours later died in convulsions. It is believed she swallowed a poisonous spider. The funeral took place from St. Anthony's church on Saturday morning.

Thomas Ryan, aged forty-five years, fell a victim to heart disease Monday morning and died before medical aid could reach him. He was employed by the Kentucky & Indiana Bridge Company and was at work when death overtook him. A son and daughter survive. The body was removed to the home of his uncle, William Chawke, Sr., 1043 Sixth street. The funeral took place from St. Louis Bertrand's church Tuesday morning.

## ST. XAVIER'S COLLEGE.

The annual commencement exercises of St. Xavier's College will take place in the college hall, Second and Broadway, on next Monday and Wednesday evenings, when graduating honors will be conferred on twenty-nine young men. Jeremiah A. Hogan will deliver the salutatory address and the valedictorian will be Herman J. Enslinger. Frank G. Cunningham, of the class of 1896, and now of St. Louis, will deliver the alumni address.

## TALE OF A MULE.

Very recently a mule owned by the city was condemned by its veterinary. It pronounced the animal lame and hopelessly incurable. It was ordered sold and bids were advertised for. There were several bidders. One livermore, who knew his business, examined the mule and bid \$61. In less than an hour he resold it for \$150. The mule was perfectly sound. That is the way the city's money goes.

## FATAL ACCIDENT.

Bernard McCarthy, a popular young man of Jeffersonville, was killed by a Monon train near Howard Park Tuesday night. He was the son of Mr. and Mrs. E. McCarthy. The funeral took place from St. Augustine's church yesterday morning. The unfortunate accident caused widespread mourning among the friends of the dead youth.

## ST. MARY'S COLLEGE.

The eighty-eighth annual commencement of St. Mary's College took place on Tuesday. Quite a number of Louisville people were on hand to witness the exercises. The essays and orations of the graduates were of exceptional merit.

## HIBERNIANS.

What They Have Been Doing  
the Past Week—General  
News Notes.

Division 2, Ladies' Auxiliary of St. Paul, approached holy communion in a body last Sunday.

E. H. King won many encomiums Sunday for his work at the piano during the initiation.

There will be but one more meeting this month, that of Division 4, which takes place on June 28.

This was a busy week for the order in Louisville, as the four divisions and the Ladies' Auxiliary held meetings.

The decorations at Bertrand Hall for the initiation were not only appropriate but very elaborate and handsome.

There is great enthusiasm among the members over the outlook for the annual outing at Phoenix Hill Park on July 5.

The many friends of Miss Maggie Lynch, of the auxiliary, will be pleased to learn that her condition is much improved.

The nine divisions of the order at St. Paul, Minn., are engaged in a membership contest. A pennant is to be the winner's prize.

Division 4 met Monday night and made a generous donation to the Catholic church extension fund. Each of the other three divisions will follow suit.

John Winn, Chief of Escort, presented a striking soldierly bearing at the initiation last Sunday. His guardsmen were the best drilled that have ever officiated here.

The Ladies' Auxiliary is deserving of every encouragement from each of the four divisions, and there is some surprise that the men do not take greater interest in their undertakings.

The County Board held a special meeting last Sunday afternoon before the joint initiation and decided to postpone the quarterly meeting until the next quarter. All bills before the board were allowed.

Rev. Father William White, of Loughlin, County Roscommon, who is visiting Father Lynch, of West Dunth, Minn., made an interesting address on Ireland before Division 1 of that city at its last regular meeting.

The eulogy and dance of the Ladies' Auxiliary, when they formally opened their new quarters in Falls City Hall, was in every way a pleasing success. Hundreds participated in the games and then enjoyed the dancing.

Miss Bridget Hanrahan, of the Ladies' Auxiliary, who sustained serious injury from a fall several weeks ago and has since been at St. Mary and Elizabeth Hospital, is making steady progress toward recovery, though she will not be able to be out for some time to come.

HONORED DEAD JURIST.

Many members of the Chicago bar and other business and professional men of that city were present in Judge Marcus Kavanagh's court room last Saturday morning, when a handsome oil portrait of the late Judge Thomas A. Moran was unveiled. The portrait is a gift of Judge Kavanagh and other admirers of the late Judge to Cook county.

The presentation speech was made by Attorney Levy Mayer, who paid a high tribute to the intelligence, ability, energy and honesty of Judge Moran, who was an Irishman and a Catholic.

BISHOP FARRELLY ENTHRONED.

Distinguished Catholic dignitaries from various parts of the United States assembled at Cleveland, Ohio, last Sunday to welcome the Right Rev. John P. Farrelly, of St. Louis, to his installation as Bishop of that diocese. The ceremony of enthronization took place in St. John's Cathedral. Archbishop Moeller, of Cincinnati, occupied a throne in the sanctuary, and among other prelates present were Bishops Morris, of Little Rock, Ark.; Hartley, of Columbus; Hickey, of Rochester; Burke, of Albany; and Alerding, of Fort Wayne.

HONORS FOR YOUTH.

Edward S. Cowan, Jr., of Dayton, Ohio, graduated with honors from St. Mary's Institute in that city on Wednesday. He is a son of Edward S. Cowan, the well known merchant tailor and a former resident of Louisville, and a nephew of James O'Neil, the popular L. and N. engineer, and the Misses O'Neil, of West Breckinridge street. His friends predict that this talented young man will be heard from in the future.

SCORES AGAIN.

The Ceillean Choral Club repeated its performance of "El Capitán" to a well filled house at Masonic Theater last Monday night. Both the cast and chorus repeated the success of May, and had to respond to several encores. The proceeds will be devoted to a worthy charity.

ADD MORE BONDS.

At the recent semi-annual meeting of the Catholic Knights of America the Supreme Board purchased \$25,000 additional bonds and securities and added to the old fund. The bonds and securities now held by the order aggregate \$1,400,000 and make this body the strongest Catholic fraternal society in the United States.

FORTY HOURS' PRAYER.

Forty Hours' prayer will begin at Holy Trinity church, Kentucky and Dupuy streets, at the 10 o'clock mass tomorrow. Rev. Father Berresheim will be assisted by several other priests. The exercises will close on Tuesday.

PRaises HARVEST.

Pope Pius X. last week sent to Monsignor Kennedy, Rector of the American College at Rome, a letter regarding the golden jubilee of that institution. In the epistle he expresses great regard for "the plentiful harvest of sound knowledge and wholesome discipline that the college has yielded."

Late News That Will Interest  
Members Here and Elsewhere.

Many members of the order now in the Philippines are coming home to spend the summer.

Memphis Council will confer the three degrees on a class of forty candidates tomorrow.

District Deputy J. C. Rogers and the Lexington degree team went to Maysville Sunday to exemplify the third degree on a large class.

The council at Manila, Philippine Islands, is in flourishing condition. The Rev. Father J. R. Volz, O. P., a member of Louisville Council, now connected with the University of Manila, delivered an address to the members recently.

**WHEAT KING.**

James Patton Was Born  
and Raised in  
Derry.

Are you aware that James Patton, the great American wheat king, who recently cornered the market and made millions, is an Irishman born and bred?

Patton is a native of Myroo, Limerick, County Derry, Ireland. When quite a young man he came to America and began to make his own living as clerk in a small store in Evanston, Ill. Within a few years he had embarked in business for himself as a commission agent for farm products. Not long after he joined his brother in business as a stockbroker. In 1902 Mr. Patton made \$200,000 in a corner in oats, but the following year he lost \$150,000. He lost \$1,000,000 in 1905 by crossing swords with Armour & Company. This year he started to force a corner in wheat and after four months accomplished his purpose. Mr. Patton is only fifty-four years old. He was elected Mayor of Evanston in 1901.

**NASHVILLE'S NEW CATHEDRAL.**

Nashville is to have a magnificent new Cathedral. The plans have been completed and work on the structure will begin in the near future. It will occupy the space between the pro-Cathedral and the episcopal residence at West End and Twentieth avenues. The plans were drawn in Rome by Leonardi, architect to the Pope, and indicate a splendid structure. The building, without interior ornamentation, calls for an expenditure of \$100,000.

**AMERICAN PILGRIMS.**

One hundred and seven American pilgrims taken over to Rome were received and blessed by Pope Pius X. last Saturday. They were under the personal conduct of John J. McGrane, of Brooklyn.

Record of the Most Important of  
the Recent Events Culled  
From Exchanges.

Dundalk will soon be lighted by electricity.

While boating in Donegal channel James McCready was drowned.

Dr. William Rice has been elected medical officer of the workhouse at Fermoy.

William McCullen died at Ballymoney, County Antrim, at the age of ninety years.

A splendid three-story residence known as Ardill, near Athlone, was destroyed by fire.

The store of Hall & Son was destroyed by fire at Clones. The damage exceeded \$5,000.

Michael McCormick, of Creggs, County Galway, committed suicide while temporarily insane.

Rose Quinn was accidentally burned to death at her home at Tullylagan, County Tyrone.

The Right Rev. Dr. O'Dwyer, Bishop of Limerick, has returned after a month's visit to Rome.

The death of P. A. McHugh, member of Parliament for North Sligo, and editor of the Sligo Champion, is generally regretted.

Donatus Cassen O'Brien, a respected citizen of Limerick, and who was prominently identified with the home rule movement in the time of Isaac Butt, is dead.

Mrs. Rose McGaghraan died recently in County Cavan at the age of 114 years. She is survived by a son and daughter, the younger of whom is eighty-nine years old.

The Rev. Albert Barry, C. S. S. R., died at Limerick and his funeral was largely attended. He was a well known author and had written a "Life of the Saints" and "Joan of Arc."

Matthew Brady, of Graiguevarna, Queen's county, and 100 years old, was accidentally burned to death. He had never been ill a day in his life and was engaged in preparing seed potatoes for planting when the accident occurred.

The Tralee Guardians have asked the agent of the Kilnure estate, County Kerry, not to proceed with the eviction of Richard Walsh, a farmer, whose aged mother is close to death. In case the family is evicted the results in Kerry will be deplorable.

**PUBLIC THE QUITTERS.**

After today's and tomorrow's games at St. Paul the Louisville baseball team will visit Minneapolis, Kansas City and Milwaukee before returning home. If the club can hold its own on this trip they have a chance to forge to the front on their long series of games on the home grounds. Manager Peitz and his players should be given more encouragement by the public here, and discourage any repetition of the cowardly hooting of Manager Peitz and Shortstop Kelly on Sunday and Monday simply because of errors made by these earnest players. None of the Louisville players have shown a disposition to quit in the face of defeat, which can not be said of a good portion of the crowd, who prove to be rank quitters when things are going against the home team, and usually vent their spleen against Heinie Peitz, who has always given Louisville the best baseball he knew how to play, and should be appreciated by baseball patrons.

**ANNUAL ENCAMPMENT.**

The Knights of St. John of Ohio, Pennsylvania, Indiana, Michigan and Kentucky held their annual encampment at Sandusky, Ohio, this week. The visiting Knights in full uniform attended high masses at the various Catholic churches last Sunday, and on Monday took part in a street parade and prize drill. Many of the Knights were accompanied by their wives and daughters. A committee of Catholic ladies of Sandusky entertained the lady visitors.

**STUDENTS INJURED.**

Three students at Notre Dame University were seriously injured Saturday while experimenting with explosive on the campus. James Connell's right arm was blown off at the elbow and Frank Gibson and A. M. Kelly were cut by flying glass. Connell may also lose the sight of his right eye. All three were bright students and Connell and Gibson have been prominent in athletics.

**THREE ORDAINED.**

The Covington Cathedral was crowded last Sunday when the Right Rev. Bishop Maes raised three young men to the dignity of the priesthood. The young priests are Rev. Fathers William O'Hara, Hubert Schmitt and Edward Klosterman.

**PLAN HOME COMING.**

Branch 642, C. K. of A., will have a home coming for its members and their ladies on the night of July 27. Depea's Garden, at Campbell and Broadway, will be tastefully decorated and illuminated for the occasion and refreshments will be served.

**FILIPINO BISHOP.**

From the Philippine Catholic it is learned that the Right Rev. Monsignor Juan Gorordo has been preconized Bishop of Libertas. He is a native of the islands, and those in a position to know say he is a very able and learned man.

**NEW DIOCESE.**

It is rumored in ecclesiastical circles that a new diocese will be created in Pennsylvania, and that it will embrace Berks, Carbon, Schuylkill, Lehigh and Northampton counties. The See city will be either Reading or Pottsville.

**AMERICAN PILGRIMS.**

## ANNUAL PICNIC

GIVEN BY THE

## ANCIENT ORDER OF HIBERNIANS

OF JEFFERSON COUNTY

Monday, July 5, 1909---Phoenix Hill Park.

TICKETS - - 10 CENTS.

## TUG OF WAR

Will Be Feature of Hibernian Outing at Phoenix Hill.

Everything is progressing favorably in the matter of arranging for the Ancient Order of Hibernians' annual outing, which will be held at Phoenix Hill Park on Monday, July 5. Each division is doing its part in working up enthusiasm, and it is safe to say that the event will be one of the most successful ever given by the Hibernians in Louisville.

A feature of the day will be a tug-of-war between teams from Limerick and Portland. Tom Dolan, who is organizing and training the Portland team, says his men are strong enough to pull the German war scare out of England, and President John H. Hennessy, who is taking care of Division 4's interests, declares that his Limerick giants are able to pull the United States Senate out of its tariff trance.

## CHILDREN'S HAPPY DAY.

A class of fourteen children will receive their first holy communion from the Rev. Father Kalaher at St. Columba's church, Thirty-second and Broadway, at 7 o'clock tomorrow. Father Kalaher will celebrate the high mass. The happy children are Frank Reynolds, Joseph Thompson, Leo Bonnan, Will Becker, Louis Steber, Milton McCloskey, Amelia Weikel, Mary Losson, Gladys Fusco, Rosie Freeburg, Annie Elchberger, Ida Schlenk, Mary Sweeney and Mamie Harrit. After solemn vespers at 3 o'clock in the afternoon the children will be enrolled in the confraternity of the scapular and will be received into the sodality.

## PFLANZ FOR JAILER.

Thus far John R. Pfanz has been the most popular Democrat to offer for the nomination for Jailer of Jefferson county. He was born and bred in Louisville. He has served the city and county for years as Alderman, Sheriff and Jailer. None know the duties of Jailer better than he, and he has a splendid record for the humane treatment of prisoners. As Alderman, he has been as Jailer he has been tried and never found wanting. His friends believe that his nomination will add strength to the ticket to be nominated next month.

## STAR ATTRACTION.

The Portland Stars have booked a banner attraction for tomorrow afternoon, the Evansville baseball team being here for a return game. Everyone who witnessed the exciting 2 to 1 contest between these teams several weeks ago will be sure to be on hand again, as the former game was only won for Portland by Harper knocking the ball over the left field fence for a home run. The premier local twirler, George Boardman, will pitch for Portland, while our now famous local nupture, "Babe" Ryan, will handle the indicator.

## RURAL OUTING.

The people of St. Frances of Rome parish will have an outing at the country place of Charles F. Brockel, St. Matthews, next Thursday afternoon and evening. Mr. Brockel has a beautifully shaded and spacious lawn, which he has offered to the committee for the occasion. There will be a euchre game in the afternoon at 3 o'clock and another in the evening. The Louisville & Eastern trolley line will carry patrons to St. Matthews, where a committee will be on hand to escort them to the grounds. The ladies of the congregation will furnish supper, luncheon and refreshments. It is expected that the friends of the Rev. Father Thomas W. White, pastor of St. Frances' church, will attend in large numbers.

## FONTAINE FERRY PARK.

The bright, warm weather of the present week has sent crowds to Fontaine Ferry Park every afternoon and evening. Mothers and children spend entire days enjoying the refreshing breezes and inhaling the pure fresh air. The open air concerts and free gate help to attract many, and the variety of amusement devices will find plenty of their liking at this attractive spot.

## ENJOYING VACATION.

The Rev. Father Christmas, O. P., left Sunday for a month's vacation, which he will spend with his parents and relatives at Newport, R. I., where he celebrated his first mass three years ago. Father Christmas has been one of the assistant priests at St. Louis Bertrand's church during the past fourteen months and is well beloved by the people of the parish.

What the Dominican Nuns Say. 8

Under date of September 6, 1908. The Dominican Nuns of Newark, N. J., write: "Two members of our community have tried Father Koenig's Nerve Tonic with favorable results. It has a most charming effect on the nervous system."

The sisters of the Good Shepherd at Peoria, Ill., write Sept. 2, 1908: "We used 2 bottles of Father Koenig's Nerve Tonic for cases of aggravated and obstinate insomnia, with extreme nervousness. The second bottle is not finished and cure has been brought when a physician worked in vain for 2 months. The patient sleeps like a child and the nervousness is less each day."

For instance from week nerves Pastor Koenig's Nerve Tonic is indispensable for the feeling of anxiety disappear at once, one sleeps better and feels like getting stronger. This remedy is also good for bad stomach, it could not be better. I shall recommend it to all nervous people."
